

PROFESSIONAL INTERNSHIP (F/M) – WEB DEVELOPER TRAINEE - NUMERALIS – LISBON

Reference Ad: GIP/ October2021 – 0425

DEADLINE FOR APPLICATION: October 10th, 2021

WEB DEVELOPER TRAINEE

CANDIDATE PROFIL (F/M):

- Bachelor's degree in Computer Science (or equivalent) experience;
- Excellent research skills with a creative approach to problem-solving;
- Proficiency in at least one server-side technology (Java, PHP, NodeJS, Python, Ruby, Laravel);
- Ability to multi-task, organize, and prioritize work;
- Ability to think critically and translate data insights into consumer stories and digital strategies;
- Hands-on attitude and willingness to push out-of-the-box thinking on all work;
- Eligible for IIEFP Internship.

KEY RESPONSIBILITIES:

- Write well-designed, testable, efficient code by using solid software development practices;
- Create website layout/user interface by using standard HTML/CSS practices;
- Integrate data from back-end services and databases;
- Create and maintain documentation;
- Be responsible for maintaining, expanding, and scaling our websites and platforms;
- Stay plugged into emerging technologies/industry trends and apply them into operations and activities;
- Work with marketers and designers to build a user experience that is brand coherent and market effective.

OFFER:

- We are a well-rounded team that believes that great ideas can come from anywhere whether it be in a conference room or written on a napkin at the bar! It is an excellent opportunity to join a growing company and develop a career in a truly unparalleled environment. We are focused on the future, we think globally, and we value our people.
- The work will be remote due to covid-19.
