

DATE: 15.11.2021

**JOB – JUNIOR PHD RESEARCHER - EPIDEMIOLOGICAL RESEARCH UNIT (F/M) –
INSTITUTE OF PUBLIC HEALTH OF THE UNIVERSITY OF PORTO (ISPUP) – PORTO**

Reference Ad: GIP/ November2021 – 0478

DEADLINE FOR APPLICATION: December 08th, 2021

The Institute of Public Health of the University of Porto (ISPUP), intends to hire one junior PhD Researcher, corresponding to a post-doctorate initial level, under Decree-Law no. 57/2016, of August 29, and amended by Law no. 57/2017, of July 19, for the exercise of scientific research activities in the Epidemiology Research Unit - Institute of Public Health of the University of Porto (EPIUnit), under the Programmatic Financing - UIDP/04750/2020, funded by national funds, through FCT.

JUNIOR PHD RESEARCHER - EPIDEMIOLOGICAL RESEARCH UNIT (F/M)

ADMISSION REQUIREMENTS:

- *Doctoral (PhD) Degree in Public Health or in any relevant allied science, obtained 5 or less years before the opening of this call;*
- *Formal training and research in population health sciences relevant for public health;*
- *All national, foreign or stateless persons who hold a doctorate and a scientific and professional curriculum that reveals an appropriate profile to the activities above mentioned can apply to this call.*

Note: *If the PhD degree has been awarded by a foreign higher education institution, it must be recognized by a Portuguese higher education institution, under the terms of Decreto-Lei n.º 66/2018, de 16 de Agosto. This Decreto-Lei approves the legal regime of recognition of academic degrees and diplomas of Higher Education, and any formalities established there, must be completed by the application deadline.*

ACTIVITY OUTLINE:

- *The expected activity will be adjusted to the proposed specific area of the candidates. The researcher will be expected to collaborate in specific activities related with management and implementation of research projects and other scientific activities in the scope of the mission of the Institution and its Research Unit. The researcher is also expected to lead the vision and production of original work publishable in the form of full-text papers in high standard international journals and contribute to education and training activities organized by Institution.*

WORKPLACE:

- *The research activity will be developed at the Institute of Public Health of the University of Porto (Address: Rua das Taipas 135, 4050-600, Porto, Portugal), and the Junior Researcher will be integrated in a lab team according to the topic addressed in the proposed working plan.*

APPLICABLE LEGISLATION:

- *The hiring will be governed by the Decree-Law no. 57/2016, of August 29, as amended by Law no. 57/2017, of July 19, which approves the doctorate hiring regime destined to stimulate scientific and technological employment for all knowledge areas (“RJEC”), and the Labor Code, approved by Law no. 7/2009, of 12th February, in its current wording.*

DURATION:

- *Work contract with non-fixed term according to the Labor Code, expected to start during the first trimester of 2022.*

MONTHLY SALARY:

- *The monthly salary is set in accordance with the provisions in RJEC, article 15, no. 1, corresponding to level 33 of the single salary scale approved by “Portaria nº 1553-C/2008, de 31 de Dezembro” at 2.134,73 Euros gross. The salary is paid 14 months per year.*
