About Bloom Consulting Bloom Consulting is a global consulting firm specializing in Nation and City Branding and Placemaking, working for countries, regions, and cities across six continents since 2003. Our clients include government leaders, mayors, directors of tourism bureaus, trade and investment agencies.

Our specialization makes Bloom Consulting one of the most advanced and globally renowned companies in the sector. In addition, Bloom Consulting is an official data partner of the World Economic Forum. The World Bank and the European Travel Commission use our data for measurement purposes. Furthermore, our Madrid team is characterized by its youthful and international composition, fostering a dynamic and diverse work environment. The internship at Bloom Consulting offers a personalized and adaptable approach to work-life balance.

Internship Description

We are seeking to recruit a **Project Manager Intern** to join our company for a **curricular internship**.

The intern is expected to actively participate in Bloom Consulting Portugal's projects, working directly with leadership and with the local consultants, occasionally working with other Bloom's offices.

Your tasks may include the following:

- Data gathering, collecting, and analysis for both internal and client projects.
- Developing or improving materials used on a day-to-day basis by our consulting team.
- Being a part of the team by discussing ideas and actively participating in the projects.
- Participating in both quantitative and qualitative survey analysis.
- Active role in developing rankings, research papers and/or corporate projects.

What do we offer?

Bloom Consulting's Internship Program has been in place since 2010. It is essential to us that you have a positive experience while working with us:

- Professional Development.
- Personal Development.
- Career Development/exposure to a global environment.
- Mentorship and Guidance.
- **Work on-site, or hybrid.**
- Flexibility.

What you will need to succeed

Key qualifications:

- **Bachelor or Master** in Economics, Business, Business Intelligence, or similar.
- **Enrolled in a university and being able to do a "curricular internship"** (e.g., Erasmus +, "Estágio Curricular").
- **Native Portuguese speaker** with an advanced command of the English language.
- Professional attitude, accountability, enthusiasm, and willingness to work hard.

Bloom Consulting © Since 2003

- Proficient knowledge of Excel and competent in Microsoft Office in general.

- Knowledge of SQL, VBA Macros or other programming languages may be a plus, but it is not mandatory.
- Previous experience may be a plus, but it is not mandatory.

Requirements:

- The general requirement for all interns is to have a university-internship agreement with Bloom Consulting (an agreement provided by your university or an internship program such as Erasmus+).
- Valid residency/health insurance in Portugal for the entire internship duration.
- The minimum duration of the internship is 3 months.

How to apply

Send an email to hr@bloom-consulting.com with a **CV and Cover Letter** attached.
